

**BIOLOGICAL RELEVANCE.  
HUMAN DISCOVERY.**

## Promotion on All Human Primary Cells

**Buy 3 vials, Pay for only 2 !**

*For every three of the same vials you buy, you'll only pay for two!*

From now through August 31, 2025, take advantage of Cell Systems limited-time **Buy 3, Pay for 2** promotion on all Human Primary Cells.

Follow these easy steps to save up:

- For every three vials of the same cell type, only pay for two.
- Contact your regional Cell Systems distributor for details.
- Everything is off the shelf and ready to ship.

## Why Cell Systems' Primary Human Cells?

- *Isolated from healthy human tissue without antibodies*
- *Highly proliferative and healthy (~85% viability)*
- *Offered with high cell count (~1 million cells per vial)*
- *Well-cited in scientific journals*
- *Ideal for 2D and 3D cultures, microfluidic devices, and co-cultures*
- *The Reserved Lot Program allows customers to reserve vials from a specific lot at no cost, helping researchers secure consistent supplies for long-term projects.*
- *Deep stock available for immediate international shipping*
